

Frazier Scholars Alumni Expectations

Thank you for being part of Frazier Scholars! Your participation has helped us grow and build a community. We hope that the support you received from us and from other Frazier Scholars will have a lasting impact on your career trajectory. While we remain committed to your success and will continue to advocate on your behalf, we appreciate your patience and understanding that our staff's primary focus will be on supporting current students. To clarify how we work with our alumni, we've outlined expectations—for us and for you.

What you can expect from Frazier Scholars staff...

 - As a UW grad, you have access to **Handshake and Foster Career Coaching Appointments for three years following your graduation** and we encourage you to use them. And after 1 year of professional work experience, you can apply to join [Success Cohorts](#), a community-based resource.
- **1:1 Meetings:** After graduation, we'll be available upon request **up to two times** per year for in-person or online meetings
- **Social and Networking Events:** We will invite you to Frazier Scholars events so that you may connect with other graduates, current Frazier Scholars, and FS affiliated professionals.
- **Newsletter:** We will send you quarterly updates to keep you informed about the latest happenings and insights.
- **Informal Check-ins:** We eagerly await updates on your career journey and/or job search. You can expect to hear from us periodically via email to check in.

- **Stay In Touch:** As jobs and career paths change let us know. Please make sure we have your new and/or **preferred email**. Only reach out via text if a timely response is needed.
- **FS Network of Support:** Help grow our FS community! Join events. Share your wisdom with current Frazier Scholars by serving on panels and giving informational interviews.
